

## Virtual Exams with PeopleCert

All Virtual PeopleCert exams will be web proctored by PeopleCert’s dedicated web-proctoring team. It is essential that you do 2 things:

1. Test your IT compatibility.
2. Book your exam slot.

### IT Compatibility

You can view the PeopleCert guide on getting prepared for your exam here:

[PeopleCert Guidelines Document](#)

**Please pay special attention to the webcam and room requirements, as it does catch some people out!**

### Booking your Exam Slot

Once you have received your exam voucher, please register with PeopleCert and book your preferred exam slot. You have 2 choices:

1. Take the exam as part of your course.
2. Book it at a later date to allow for revision.

We are sadly unable to book your exam time for you and some time slots can prove very popular. If you have any queries or issues around booking your exam, then please reach out directly to the PeopleCert team directly.

The timings below are those that would work within the delivery of your course, whereby the trainer will have covered the necessary content. If you wish to take your online exam as part of the course **please book ASAP to avoid disappointment.**

Exam	Day & Time
PRINCE2 – MSP - MoP - M_o_R - P3O Foundation	Day 3 after 15:00
PRINCE2 – MSP – MoP - M_o_R - P3O Practitioner	Day 5 after 13:00
MoR4 Practitioner	Any time after the course
ITIL® version 5 Foundation	Any time after the course
ITIL4 Foundation	Day 3 after 17:00
ITIL4 Foundation +	Post Course*
ITIL4 Specialist - High Velocity IT	Day 3 after 17:00
ITIL4 Specialist - Drive Stakeholder Value	Day 3 after 17:00
ITIL4 Specialist - Create, Deliver and Support	Day 3 after 17:00
ITIL4 Strategist - Direct, Plan and Improve	Day 3 after 17:00
ITIL4® Strategist - Digital and IT Strategy	Post Course**
ITIL4 Managing Professional Transition	Day 5 after 17:00
ITIL®4 Specialist: Sustainability in Digital & IT	at least 48 hours after the end of the course**
DevOps Fundamentals	Day 3 after 15:00
DevOps Leadership	Day 3 after 15:00
SDi Service Desk Analyst	Day 3 after 15:00

\* Technically the course starts with the ITIL4 Foundation course so exam timings could follow that course but we would strongly recommend taking the exam “Day 5” onwards aka post course and most certainly NOT on Day 4 under any circumstances

\*\*There is a coursework element to this course that you must pass before taking the exam.

**PeopleCert**®

All talents, certified.
